

## More Voices, More Ideas: IFE Conference 2026 Extends Its Global Call for Participation

**Monterrey, Nuevo León, June 16, 2025** — In response to growing interest from the international academic community, the [Institute for the Future of Education](#) has announced an extension of the call for participation in the 2026 edition of the [IFE Conference](#), to be held from January 27 to 29, 2026, in Monterrey, Nuevo León.

The call will remain open until June 30 and invites researchers, academics, and education professionals who are developing solutions to the challenges of 21st-century learning to submit proposals in one of [four categories](#):

- Research Papers
- Innovation Papers
- Book Presentations
- Educational Innovation Experiences

Since its inception in 2006, the IFE Conference has brought together over 34,000 participants from more than 40 countries, promoting the exchange of ideas to transform education.

Submissions will be evaluated based on their relevance and originality. Research papers that meet the editorial standards of Springer, a global scientific publishing house, may be published in its Lecture Notes in Educational Technology series, which is indexed in Scopus.

Interested individuals can review the full guidelines and submit their proposals through the official website: <https://ifeconference.tec.mx>.
